

DMSB CURRICULUM (as of Oct. 2023)

CROSS-DISCIPLINARY SECTION

General subjects

German
English
Mathematics
Chemistry
Politics

VOCATIONAL SECTION

Mill construction, cereals and feedstuff technology

Operational management / economics
Project management
Mechanical engineering
Process technologies
Specialty milling
Quality management
(bakery technology, cereals and flour analysis, laboratory)
Compound feedstuff production
(feedstuff technology, feedstuff plant design, animal nutrition, feedstuff law)
Process planning
(intake, cleaning, grinding, packaging, materials handling, and silo technology)
Leadership
Project work

SUPPLEMENTARY DISCIPLINE

Plant Engineering

Design engineering / technical drawing (CAD 3D)
Mill design / engineering
Mill construction / structural engineering / statics
Automation
